Dear Friend,

Your compassionate heart and generosity have the power to transform the community of St. James in a meaningful way by providing access to the arts and culture and an economic boom for local businesses.

Celebrate St. James Past-Present-Future is a 501(c)(3) nonprofit cultural arts organization that works to promote and preserve St. James' rich history and inspire an appreciation and knowledge of the arts in our community. Lighthouse Theatre is a 501(c)(3) nonprofit theatre company that uses the transformative power of theatre to help local charities raise money and awareness for their mission.

In the spirit of their mission, Lighthouse Theatre is staging a production of "Guys and Dolls" to help support Celebrate St. James. This special fundraiser will help renovate the former Calderone Theatre to become St. James Community Cultural Arts Center, Theatre, and Plaza. The production will take place on August 23 and August 24 in Mills Hall at the St. James Episcopal Church. We anticipate attendance of approximately 200 audience goers, actors, and staff.

Sponsors of this event will receive the following benefits:

- Sponsor's logo displayed on signage in the lobby and on posters and flyers.
- Half or full-page advertisement in the printed and virtual program.
- Logo on our website and social media outlets.

Enclosed, please find a copy of the sponsorship packages. By becoming a sponsor, you will help enrich the lives of all in the St. James Community. Please note your contribution is tax deductible to the extent allowed by law.

Thank you for your support!

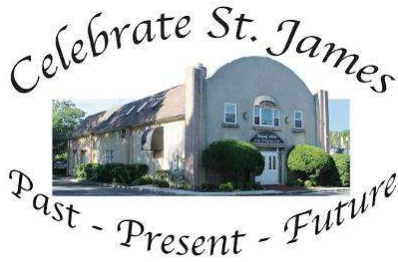

Very truly yours,

Doris Meyer
